

Go beyond equipment compatibility.
Reach for total performance.
The Zenith Z-100 PC's.

The Z-150 PC

In the brutal rhythm of the time trial, something clicks: cyclist and cycle blur into one, and sprint toward total performance. And, in your office, you'll experience that same kind of oneness with our new IBM-compatible Zenith PC's.

Their enhanced features actually take you beyond IBM compatibility. Like internal expandability that allows you to add peripherals without adding size. Storage that can expand up to 11 megabytes. The ability to run virtually all software designed for the IBM PC. And a detached keyboard with a "smarter" key layout for added convenience.

The portable Z-160 PC

Reach for total performance with the desktop and portable Z-100 PC's: call

Z-150 PERSONAL COMPUTER DESKTOP SYSTEM

Grow With a Name You Can Trust ... Zenith

Choosing the right system for your needs is an important decision. Zenith Data Systems has your answer!

Zenith's Z-150 PC is the "Total Business Solution" for your personal computing needs. It is a quality personal computer with enhanced features that you want and demand.

The Z-150 PC is Zenith's personal computer system with IBM compatibility to access the wealth of software and peripherals developed for the IBM PC.

Dual 5¼" floppy disks in the standard IBM format are featured on the Z-150 PC.

There is even an optional built-in 10.6MB Winchester drive to add to the system's capability.

Add the Z-150 PC's compact, lightweight design with detached keyboard and its 128K memory capacity upgradable to 640K and you will be investing in perhaps the last computer system you will ever have to choose.

Invest Wisely! Go with a name you can trust... Zenith.

**Go Beyond IBM
Compatibility...**

**Reach for Total
Performance.**

Zenith's Z-150 PC!

Z-160 PERSONAL COMPUTER PORTABLE SYSTEM

**Lightweight
IBM Compatibility
with Heavyweight
Zenith Capability!**

Portability in a Total Performance Business Computer

Some business decisions can't wait! So Zenith Data Systems combined Zenith's advanced technology and IBM compatibility to handle important business situations wherever they occur. The Z-160 PC Portable is designed for the "on the move" executive who needs answers fast!

Zenith's Z-160 PC Portable is the "Total Business Solution". It is a quality IBM compatible computer with the enhanced features that business demands.

The Z-160 PC is Zenith's portable computer solution to accessing the wealth of software developed for the IBM PC and IBM peripherals.

Single or dual 5¼" floppy disks in the standard IBM format are featured in a unique, top-loading disk drive. Add the Z-160 PC Portable's overall compact design with detached keyboard, 9 inch monochromatic video, 128K memory upgradable to 640K, 4 open expansion slots, and competitive price and you get a great deal more portable capability for a great deal less than you might expect to pay.

Invest Wisely! Go with a name you can trust...
Zenith.

THANK YOU

**FREE with
Z150 COMPUTER
till supply runs
out - HURRY!**

PeachText 5000* has arrived. A complete personal productivity system for word processing, financial modeling and simple data-base management. All at one price—\$395.00. And all from Peachtree Software Incorporated.

The quality is unmistakably Peachtree: proven, powerful applications with menu-driven features, easy-to-use documentation and quick access to "Help" prompts. And they're fully interactive.

PeachText 5000 is available for a select list of microcomputers: the IBM Personal Computer, the COMPAQ Portable Computer, the Texas Instruments Professional Computer and the Zenith Z-100.

**PeachText 5000
Personal
Productivity
System includes:**

1 Word processing

PeachText™ word processor. PeachText has long been recognized as one of the best in the industry. We've made it even better for PeachText 5000.

Random House Electronic Thesaurus™. Installed in PeachText, this handy reference gives you instant access to more than 4,400 indexed words and 26,000 synonyms.

Spelling Proofreader. This high-performance package can check a 10,000-word document for spelling and typographical errors in less than two minutes.*

2 Financial planning

PeachCalc™ electronic spreadsheet. Turn your computer's memory into a worksheet for financial and other mathematical analysis.

PeachCalc will address up to 256K of RAM, so you don't have to worry about your memory space outstripping PeachCalc's capacity.

3 Data management

List Manager. This module gives you complete control over the design and use of mailing lists, labels and other files or reference aids. List Manager's output can be used to individualize form letters or template documents produced by PeachText.

Limited Time Introductory Offer

Now PeachText 5000 is available for \$395.00. That's right—just \$395.00.

And that's not all. With your PeachText 5000 package you will receive:

FREE

A free box of 10 Peachtree/Wabash 5 1/4" diskettes to hold the fruits of your new Peachtree productivity.

A coupon to get Peachtree's "Access Pak" for \$10.00. The Access Pak, which has a retail value of \$525.00, includes Information Access, which allows you to extract information from Peachtree accounting products for use with PeachText 5000 applications. And you get file converter programs to make your existing WordStar, Easy Writer™ and VisiCalc™ files usable with PeachText 5000—because you shouldn't have to suffer because you've waited this long for the complete personal productivity system.

Free 30-day support from Peachtree Software Incorporated, on return of the registration card included in the package.

PeachText 5000 is here. The complete personal productivity system. And it's unmistakably Peachtree.

*In actual trials using an IBM Personal Computer and 320K diskettes, Spelling Proofreader checked a 10,024-word document in one minute and 15 seconds, using the standard 20,000-word dictionary supplied with the package. Checking times may vary depending on your hardware.
